 - 1. *Adam J: If you registered last year do we have to sign up again? yes, membership is one year only*

Meeting Minutes

ii. Gender Neutral Language

1. Language in pronouns, addressing groups, common nouns (firemen) can assign gender. However not everyone identifies as male or females.
2. Often time when coming into a space where gender norms are projected on people it limits who they are
3. Why should we care? We are student leaders to set an example for the rest of the community. You can spark a change and difference.
4. We should also be mindful of inclusive language in general, especially with phrase such as: "that exam just raped me" "thats retarded" "thats so gay" "illegal alien"
5. Challenge yourself to eliminate these words from your vocabulary
6. Evelyn: As an added incentive, this is something the professional world is mindful of as well

VIII. Unfinished Business
