What exactly does your position entail and how do the decisions you make affect us as students?

What are your main priorities as interim vice chancellor and how will that impact the next Vice Chancellor?

What actions would you like to see college councils take to help you achieve the changes you would like to see on campus?

How do you view the role of student advisory boards on campus and how will you carry out recommendations of students?

What plans are there to help those students who have to adjust to the smoke free policy?

What changes are being talked about for Sun God Festival this year?

Council Member of the Week Song!
Council will always be tight
Family every single day and night.
Even when you start stressing like a fool
You know I'm loving every single thing you do.
I know that I can always be myself
Around you more than anybody else.
Everyday when I'm at EBU
You know there's no one I love as much as you.

Family, a family, council family
They'll make you proud
They'll make you wanna sing
It's a family thing a family council family
Council family they'll push you further
They'll make you wanna hug em'
A family, a family council, council family
